LEFT SIDE DEFLECTOR KIT

60435KIT Fits EarthWay® 2150, 2170, C22, C24, F80, F130
Commercial & Professional models

EarthWay® EV-N-SPRED

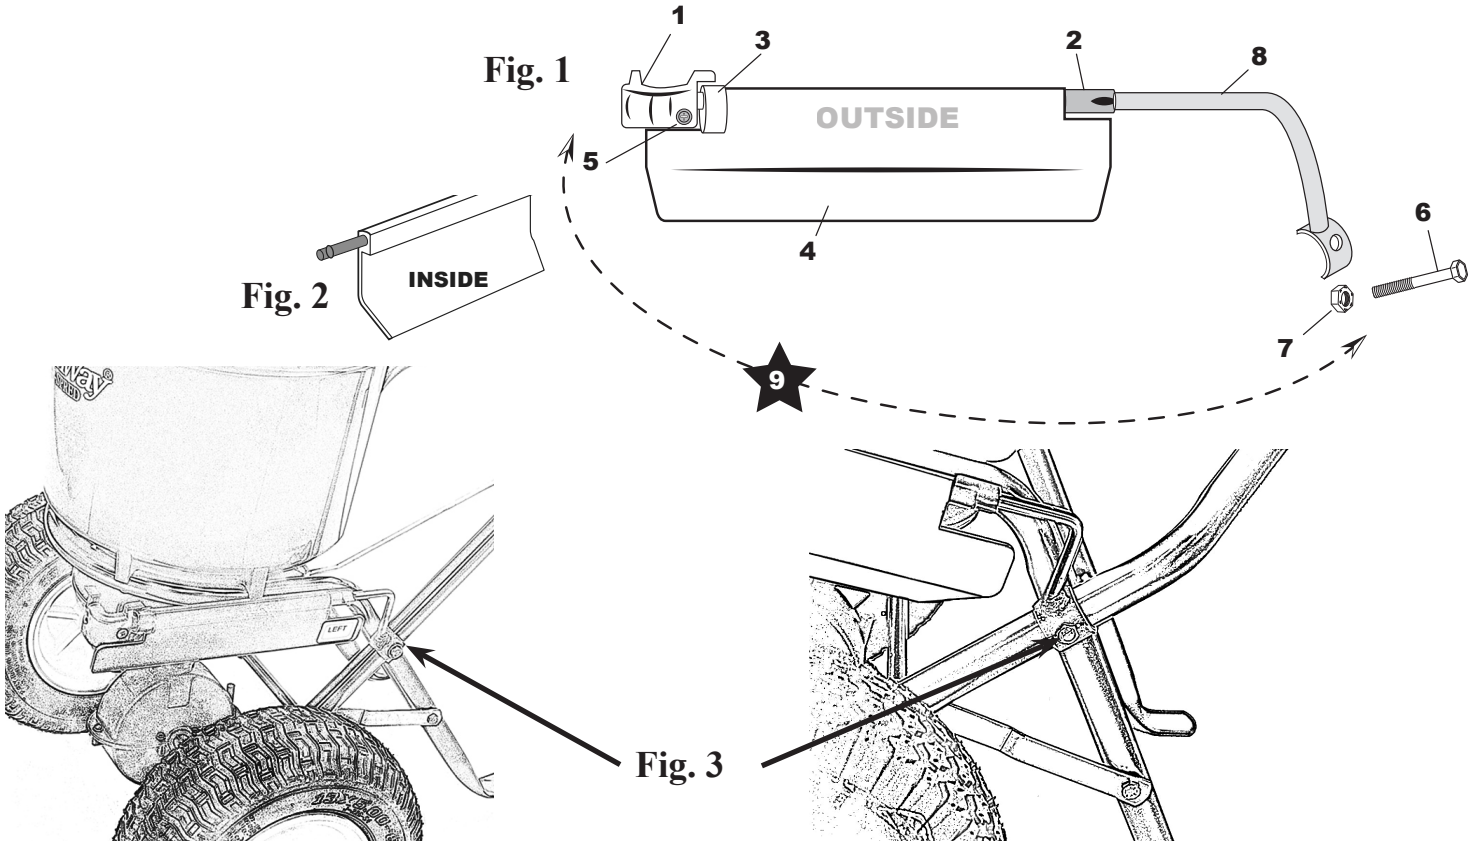
Installation Instructions

- Locate all parts listed in Fig. 1
- Remove bolt from lower handle and frame as shown in Fig. 3 from the LEFT side of spreader.
- Now install #9 Front Deflector Assembly using the new #6 bolt and secure with the new #7 1/4-20 nut.

NOTE: The lower edges of the Deflector taper to the inside of the assembly and spreader as shown in Fig. 2 below.

Operation

- To use the deflector, push down to activate, lift to deavtivate.



WARRANTY

This product is guaranteed to be free of defects in original workmanship and materials for a period of 90-days from the date of sale to the original user. If any defect develops during this period the manufacturer will repair or replace this product at no charge provided the defect is not the result of mishandling or tampering and that this product is received at the factory with shipping charges paid. Proof of purchase must be included. For quicker service you may call 574-848-7491 and describe the nature of the defect and we will send repair parts to you. This warranty does not cover labor charges. Due to the corrosive nature of most fertilizers and ice melters, the manufacturer makes no warranty or guarantee against corrosion failure on models with plated steel or painted steel frames. Clean and dry your spreader and accessories thoroughly after each use.
